

COVID 19 RESTRICTIONS DRIVE-IN CHURCH

Our creative thinking initiative to start a Drive-In Church has been thwarted by the state authorities who interpret such an innovation as “an illegal gathering”, according to the draconian measures implemented because of COVID 19.

More than 50 people are prohibited from attending any gathering or assembly, even if you are in your own car.

We regret the inconvenience!

So in the future, **only the FIRST 50 ATTENDEES**, will be permitted into the Drive-In area, behind the church, however the **transmission via radio on FM99.2 can still be picked up** over a 500m radius. As long as you are within this radius the reception will be clear.

For your convenience **we will start transmitting on Sunday's at 8:30am** with soft church music **so that you may test to determine your reception at home.**

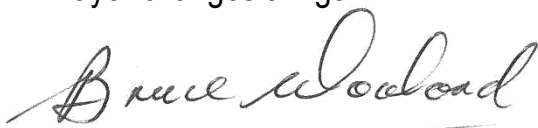

Parking on the verge outside the church property boundary is another way that one may circumvent the restrictions. If you live within the radius we recommend you stay home and tune into your transistor radio or radio station on your cell phone to receive the church service.

Please take care, stay safe, be strong wear a mask, sanitise, be hygiene conscious, practise social distancing, be prayerful and considerate.

The **Drive-In Church services on Sunday at 9:00am will continue with a 50 attendee limit** until further notice. FORSA (Freedom of Religion in South Africa) have called on the Government to reconsider or redefine this prohibition. We live in interesting times.

We have to respect the authorities decision and comply with the instructions.

Prayer changes things!
