

2 March 2021

## UPDATE

### COVID LEVEL 1 NOTICE

The new **LEVEL ONE** announcement by our President has lifted some restrictions. We still have to be extremely cautious in terms of re-opening the church for normal Sunday Services.

Next week I'll be meeting our Diaconate to prepare a statement on the way forward.

The expected **THIRD WAVE** of the virus will play further havoc with the economy and impact our physical contact and social activity. Your prayers are greatly appreciated as we sincerely think of safer and more meaningful methods of corporate worship in our beloved church setting.

We will **continue to conduct Drive-In Sunday Services at 9:00am** from St Davids vestry steps via **RADIO AUDIO TRANSMISSION on FM99.2**. If you live within a 2km radius of transmission you will be able to tune in and enjoy a Sunday morning church service.

Please continue to pray for the families of victims of COVID 19 and ensure that you keep safe and protected.

With love and blessings

A handwritten signature in black ink that reads "Bruce Woolard". The signature is written in a cursive, flowing style.
