It's too Late???

by Bruce Woolard

How many of you arrived late for Christmas dinner? When Jesus was born the inn keeper who turned a heavily pregnant Mary and Joseph away missed the opportunity of being recorded by name in the annals of history.

Surely he could have done better than offering a stable or cave, to the weary travellers? With a little more effort and dialogue he could have communicated their cause to a sympathetic patron who might have offered his room up for the expectant couple. He missed out on the greatest event in human history. It was too late to have regrets.

When Judas betrayed Christ our Lord with a kiss it was too late to say sorry. Don't allow another year to come and go without making some major adjustments to your attitude and conduct. Now is the time. Don't put

those hard choices to change on hold. It's not too late to admit the wrongs of the past year. Show humility before God and He will raise you up above your fears and failures.

Please consider this question. What will you do differently in the New Year that you should have done this year?

If you aim at nothing you'll certainly hit the target, so aim for something worthwhile.

Planned giving envelopes are available.
Please ask the Deacons for assistance when you attend church on Sunday morning,

you may collect your envelopes from Elzunia, **from the 15/01/2025** on our **Wednesday's morning** during the knock-and-drop between 8:30am—12:00pm.

A New Life

*The Lord bless you and keep you;
make His face to shine upon you and be gracious to you;
turn His face towards you and give you peace.*

Numbers 6 v 24-27

Upon the threshold of another year,
We stand again.
We know not what of gladness and
good cheer,
Of grief or pain
May visit us while journeying to its close.
In this we rest,
God dealeth out in wisdom what He
knows For us is best.
