

Every Good and Perfect Gift is from Above

James 1:17

LORD PROTECT YOUR PEOPLE

by Dr Bruce Woolard

As the year winds down and the holiday season soon gets into full swing, celebratory socials and parties will bring excitement to some and misery to others. We should be extra cautious how we drive, how we celebrate and how we behave.

Criminals have a tendency to go "Christmas shopping" in December, so be vigilant at home and at work and ensure that your property is safe and secure. The following prayer includes a call for diligence.

Remember that we should be wise in our choices and trust God for the outcome.

Almighty God

I am powerless and my life is unmanageable without your love, guidance and protection. I come to you today because I believe that you can restore and renew me to meet my needs tomorrow and to help me to live and act responsibly. I put

my life, my will, my thoughts, my desires and ambitions and family in your hands. Guide and direct my ways and help me to be wise. I cannot control or change my family members, or friends, so I release them into your care for your loving hands and protection. Be with us this season and help us to value each other. Amen.

**Come what may,
God has a divine purpose.
Walk in His will and know His peace in
the midst of trouble.**
