

Bet Sheekoom is a Non-Profit Organisation and was established in 2004 in Port Elizabeth, South Africa. This safe haven is dedicated to assisting destitute, abandoned or abused women and their children in crisis, by offering them a safe alternative to the abusive environment that they find themselves trapped in.

We strive to awaken hope, rebuild lives and restore families by empowering women. Our outreach programmes offer guidance to women on the street who need assistance to leave a life of sex work, substance-, physical-, sexual- and verbal abuse. Our holistic approach aims to achieve physical, mental, emotional, social and spiritual well being via counseling, skills development, the necessary medical treatment & support groups.

Re: APPRECIATION OF DONATION OF CLOTHING & MAKE UP TO BET SHEEKOOM

On behalf of the Board and Beneficiaries of Bet Sheekoom, we thank you for the generous donation of clothing and make up for our residents and programme.

Bet Sheekoom relies very heavily on our community to be able to operate at a professional standard in providing the essential services to the women we serve. Something as simple as a bra can restore dignity, comfort, confidence and a sense of self-worth to women who are rebuilding their lives.

Thank you once again for the very important role you have played in Bet Sheekoom. I can say with absolute confidence that Bet Sheekoom would not be what it is today without committed community members such as yourselves.

Kind Regards,

Genina Hood
