

helping hands
with helping hearts

July 2026

We were blessed to again be in a position to distribute our kiddie knits with the Union of Jewish Woman, who actively render so much comfort to many in our community. We thank them for reaching out to so many less fortunate than ourselves. This wonderful relationship we have with them extends our outreach at St Davids. Thank you to all our knitters and those who crochet—keep those needles clacking and crochet hooks weaving!!

Elzunia handing over our beautiful knits to Pam from the Union of Jewish Women who kindly collect the goodies from St Davids.

The UJW also generously supply wool for our earnest and enthusiastic knitters.
